

Grade 4 Activities

1. **Ask your parents to watch an infomercial with you. Tell your parents to make sure and watch the infomercial first.**

2. You are going to re-invent a product!

Find a pen in your house

Look at the pen, we know we use it for writing, but let's give it a new possibility:

	<p>The Magic-o-pen This pen can read your thoughts and write for you! You can take a break, and go eat a snack, the magic-o-pen will do your homework for you! Special offer: When you buy the magic-o-pen for \$29.99, you will receive a red and green magic-o-pen free! Tell your friends! Great birthday present!</p>
---	---

3. Now it is your turn. Follow the model and re-invent two objects in your home.

<ol style="list-style-type: none">1. The Magic-o-pen2. This pen can read your thoughts and write for you!3. You can take a break, and go eat a snack, the magic-o-pen will do your homework for you!4. Special offer: When you buy the magic-o-pen for \$29.99, you will receive a red and green magic-o-pen free!5. Tell your friends!6. Great birthday present!	<ol style="list-style-type: none">1. Name of the product2. What does it do? It can... It will...3. Explain how it can help. When you need... It will do (the work) for you.4. Special offer. 2 for 1/50%off/a free extra...5. Tell your ... (friends/family/neighbours...)6. A good gift for... (friends/family/neighbours...) or (Easter, Christmas, a birthday...)
